

1. Events Information:

- **Question:** "What events are available this month?"
 - **Answer:** "Several events are scheduled for this month, including a coding hackathon, an art exhibition, and a robotics workshop. You can find more details and register in the 'ViewEvents' section."
 - **Question:** "Are there any branch-specific events?"
 - **Answer:** "Yes! Different branches have their own events. For example, CSE might have a Machine Learning bootcamp, while ECE could have a seminar on IoT. Check the 'ViewEvents' section for more details."
 - **Question:** "Are there any events with free registration?"
 - **Answer:** "Yes, some events like the Coding Marathon and Web Development workshop offer free registration. You can sign up through the 'ViewEvents' section."
 - **Question:** "How do I register for events?"
 - **Answer:** "You can register by visiting the 'ViewEvents' section, selecting the event you're interested in, and following the registration steps."
-

2. Attendance Tracking:

- **Question:** "How many classes have I missed this semester?"
 - **Answer:** "The system tracks the number of classes you've missed. You can view your attendance status in the 'Attendance' section."
 - **Question:** "What is my current attendance percentage?"
 - **Answer:** "Your current attendance is calculated and displayed in the 'Attendance' section. Make sure to maintain at least 75% to meet the eligibility for exams."
 - **Question:** "Am I eligible to take exams based on my attendance?"
 - **Answer:** "To be eligible for exams, your attendance should be at least 75%. You can check your eligibility in the 'Attendance' section."
-

3. Exam Essentials:

- **Question:** "Can I download important questions for my semester?"
 - **Answer:** "Yes, important questions for various semesters are available in the 'Exam Essentials' section. You can download them in PDF format."
- **Question:** "Do you have past exam papers for my branch?"
 - **Answer:** "Yes, past exam papers for all branches are available in the 'Exam Essentials' section. Just select your branch and year to download the papers."
- **Question:** "Where can I find previous year question papers for ECE?"

- **Answer:** "You can find previous year question papers for ECE in the 'Exam Essentials' section. Simply choose the appropriate year and subject to download."
-

4. Scholarship Information:

- **Question:** "What scholarships are available for first-year students?"
 - **Answer:** "Several scholarships are available for first-year students, including Merit-based Scholarships and Community Service Awards. You can find more information in the 'Scholarships' section."
 - **Question:** "Am I eligible for a merit-based scholarship?"
 - **Answer:** "Merit-based scholarships typically require a minimum GPA of 8.5. You can check your eligibility and apply in the 'Scholarships' section."
 - **Question:** "How can I apply for scholarships?"
 - **Answer:** "You can apply by submitting your academic transcripts and personal statement through the 'Scholarships' section. Be sure to check the application deadlines."
-

5. Chatbot Assistance:

- **Question:** "What can the chatbot help me with?"
 - **Answer:** "The chatbot can assist you with event registration, attendance tracking, exam essentials, and scholarship information. Let me know what you'd like help with!"
- **Question:** "How do I find exam essentials for my branch?"
 - **Answer:** "Just let me know your branch, and I can help you find important questions, past exam papers, and more in the 'Exam Essentials' section."
- **Question:** "Where can I download PDFs for past exam papers?"
 - **Answer:** "You can download PDFs of past exam papers from the 'Exam Essentials' section. Simply select your branch and semester to access the papers."
